Suggested extras

This screen may appear if there are any additional items connected to your chosen event that you may wish to purchase, such as a programme, or an ice cream voucher for the interval.

We encourage patrons and staff to minimise car travel, but recognise that driving to the Theatre may be the only option for some. If you wish to offset the environmental impact of your journey, you can do so on this page.

For most shows we work with a partner, Secure My Booking, to offer refund protection in case you, or a member of your party is unable to attend the performance.

If you wish to buy a suggested extra, ensure the correct quantity is in the box (1 per ticket) and select **Add to basket**.

If you do not wish to purchase any suggested extras simply click **Continue to basket**. You do not need to put 0 in any of the boxes.
