- Smaller groups may have E-tickets which will have been sent to the group bookers email shortly after purchase. Otherwise your tickets will be posted in advance of the show.

- Cheques are payable to Chichester Festival Theatre.
- We accept MasterCard and Visa. We also accept BACS and the details are on the Request for Payment that you will receive once your group booking has been reserved.
- Send your payment and written requirements to: Box Office, Chichester Festival Theatre, Oaklands Park, Chichester, West Sussex, PO19 6AP

Visitors with disabilities

- If you have members of your party with access requirements or who would like to book tickets with an Access discount you may need to join the Access Membership. More information and a sign up form can be found at cft.org.uk/accessibility, or you can email access@cft.org.uk
- Please inform Box Office of any access requirements at the time of booking, as it may be difficult to reallocate seats at a later date.
- Visit cft.org.uk/accessibility for details of our access performances and facilities.

Information for Coaches

- **The coach drop-off point is outside the Festival Theatre**
- **The coach park is in Via Ravenna (formerly Cathedral Way)**
- **Please inform us that you will be arriving by coach at the time of booking**

Prior to your visit, you will receive a coach name or number for your driver to display in the windscreen – you will need this to enter the Theatre site.

When you arrive, a member of the security staff will direct your driver where to park. This is to enable your party to depart the coach safely and to ensure your driver has arranged pick up with CFT security. Please be aware of your group's safety as the driveway can get very busy pre-show.

To arrange your pick up, please ensure your driver leaves their mobile number with our security staff. If you arrive early, please leave the contact details with the Box Office team in the Festival Theatre foyer. We have multiple coaches attending each performance, therefore the security team will contact each coach driver with a collection time to access the site. Please be aware that there may be a short wait before your coach is called back to the Theatre. This is due to the limited space available and to ensure the safe departure of the audience after the performance.

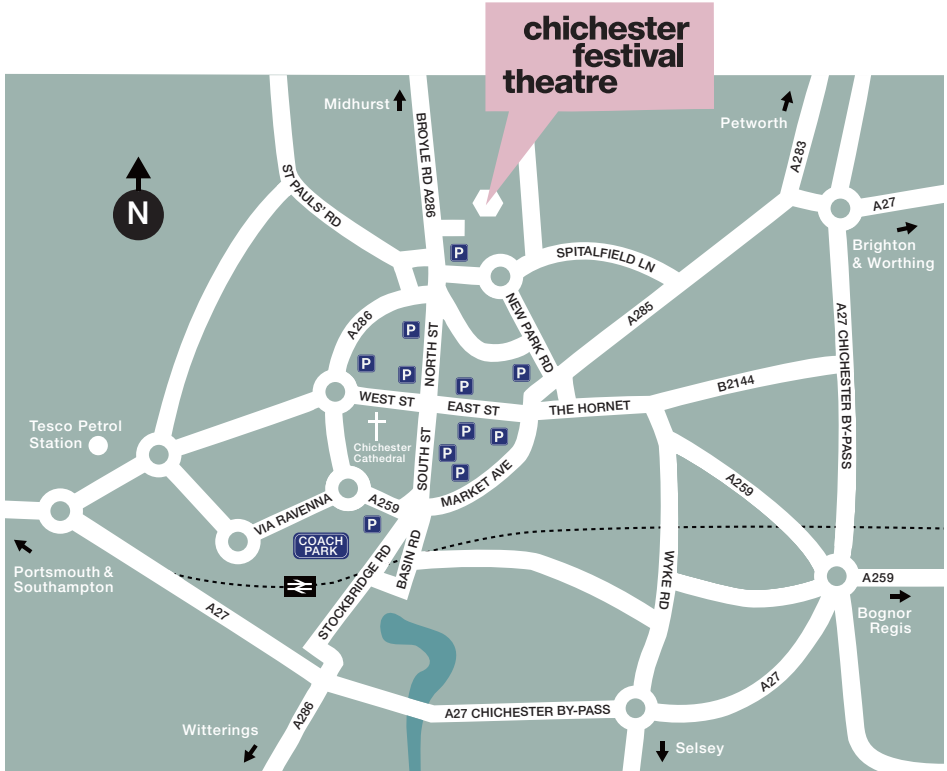

Please note, if your coach arrives before the allocated time they may not be allowed onto the site.

During your visit, if you have any questions please talk to one of the Front of House team (easily seen by their colourful uniforms) and they will endeavour to help or contact the Duty Manager.

At the end of the performance, it is the responsibility of the Group Leader to gather the group together. When you are ready to leave, please make yourself known to the security staff. They will require your coach number in order to inform you of your allotted collection time.

Notes for Group Leaders

Arriving at the theatre

- Where possible, please leave any school bags on the coach to give everyone more room in their seats.

Entering the auditorium

- If your school arrives together (whether by coach or on foot), you won't need to distribute individual tickets. Simply speak with a CFT team member on arrival and they'll guide you to your seats.
- For older students, or those who arrive separately, we advise that you distribute tickets in advance. We also advise that you keep a list of seat numbers and names. Please make sure that all students have a contact number and to speak with our friendly ushers if they get lost or separated from your party.
- Please note latecomers cannot be admitted in the Minerva Theatre and re-admittance is not possible.
- Latecomers or those wanting to be re-admitted to the Festival Theatre cannot be guaranteed access to the auditorium until a convenient break in the performance and may not be sat in their original seat.
- Want some guidance on theatre etiquette? Check out this blog from perform.org.uk at cft.link/K5EAar

During the performance

- Mobile phones and other electronic devices need to be switched off.
- The use of recording equipment is strictly prohibited in the auditorium, except at the end of the show during the applause. This includes cameras, video camcorders and mobile phone cameras. If used, Front of House staff may remove the item and return it at the end of the performance.
- We ask that no 'noisy' refreshments e.g. crisps or wrapped sweets are brought into the auditorium. Theatre staff can provide you with reusable cups for drinks.
- Intervals normally last 20 minutes.

After the performance

- Please follow directions from the Front of House team when leaving the auditorium.
- Remember to check that no personal belongings are left behind.
- It would be so helpful if you could gather any rubbish together before you depart. If you need a bin bag, please ask a member of the team who will happily help.

First Aid

- First Aiders are on duty at all performances and can be identified by a badge on their uniform. Please contact any member of Front of House staff should you require a First Aider.
